You!
Stop right there!!
RRRRUMMBLE!
SCREEEECH!

Hands where I can see 'em! You're frolicking at nearly twice the legal speed limit, buster!
SHOOM!

This is your first offense, so I'll let you off with a warning.
But just remember...
The rock police are always watching.

You'd better hope ya don't get caught frolicking recklessly again! The next rock you meet might not let you off so easy!
POKE!

FOOMB!
?!?
